

Basic Crepe Batter

1 1/2 cups of milk

3 eggs

2 tablespoons of melted butter

1 cup of flour

1/2 teaspoon of salt.

Blender Method: same as above.

Crepe batter can be mixed by hand or electric mixer.

Follow chef Bronco's method of heating the pan and using vegetable oil to cook the crepes.

Use a small sauté pan and make them one at a time. It's worth it!
Then enjoy them.
