

Calling all Crescent Sewers/Quilters!!

Would you like to make a difference in a child's life? Check out "Quilts Beyond Borders", an organization that collects and finishes quilts to send off to orphanages in various distant countries. Since its inception in 2007, 34,000 quilts have been sent off to many underprivileged children.

To take part in this very worthwhile cause you would just have to know how to sew. No actual quilting experience is required! I presently have 10 quilt tops done and would love it if we could have 20 finished by the end of the year. Please read all about this organization, including criteria and dimensions of the quilt, etc. If this interests you or if you have any questions, please call Kathy Coates at (843)757-6284. If you have the time, I have enough fabric to get us started!!
